Hello every one.

It is the year Twenty Seventeen folks!! 2016 had its storms, bumpy roads, unplanned curves, ups and downs. There were times we might have felt at the top of our game and times when we thought we couldn't go on but we kept forging on and now we have a whole new year ahead of us so what's it going to be? Have you mapped out your plans? Those goals you plan to achieve despite any odds that may come your way? Well join us this year on Loretta Reveals as we journey through our "borderless motivational" space to give you in-depth glimpses into the world of people who have made it over mountains you could not even fathom or out of pits you could never imagine.

Their stories would definitely inspire you and hopefully encourage you. Hope you are as excited as we are as Twenty Seventeen opens its doors... Now as Loretta Reveals officially welcomes you to the start of 2017. It is a time to reflect on how much we achieved in the past year and also what we couldn't achieve. It is also a time to roll out plans on the best way to achieve even more in this New Year.

We will leave you with some part of this song by The Script and Will-i-am, Hall of Fame;

**Yeah, you could be the greatest**

**You can be the best**

**You can be the King Kong banging on your chest**

**You could beat the world**

**You could beat the war**

**You could talk to God, go banging on his door**

**You can throw your hands up**

**You can beat the clock**

**You can move a mountain**

**You can break rocks**

**You can be a master**

**Don't wait for luck**

**Dedicate yourself and you gon' find yourself**

Dedication is very important in achieving set goals, if you have your mind set towards achieving and you believe in yourself, it becomes very do-able. We add the special ingredient of stories from those who have been there and done it all which becomes an extra boost in achieving set goals. This is the main goal of Loretta reveals [www.lorettareveals.org](http://www.lorettareveals.org) the place to be for true tales from those kind enough to bare it all, their journey, their pains, struggles and success. It is the space for inspirational nuggets.
